

A proven product since 1984!

MADE IN THE USA

LSI AREA RUG PAD

**SUPERIOR PROPERTIES FOR USE ON HARD SURFACE FLOORS;
MORE BENEFITS THAN OTHER RUG PADS!**

In physics, resilience is the ability of an elastic material to absorb energy and release that energy as it springs back to its original shape.* LSI Carpet Padding holds its resilience for LIFE.

That's why we say it's UNSQUASHABLE™!

Nope,
Can't Squash
LSI Padding!

FEATURES & BENEFITS

Specially made with a high density 100% virgin urethane foam to cushion and protect ALL RUGS.

- Helps prevent floor irregularities from showing through onto the rug surface
- Outstanding resilience with thousands of shock absorbing cells in every square foot
- WILL NOT stain wood or tile floors; WILL NOT crumble or disintegrate
- No adhesives used = No residue on the floor
- Minimizes rug slippage; feels good underfoot
- Hi-density cushion helps to prevent rug crushing and matting
- Non-allergenic and water resistant; resists mold and mildew
- No smells, odors, or chemical emissions

ECO-RESPONSIBLE

Formaldehyde, PVC, Phthalate,
Lead and Heavy Metal Free,
Non-Toxic, Low VOC

MANUFACTURING SPECIFICATIONS

Material:	High density urethane foam bonded to a woven polypropylene substrate
Thickness:	1/8"
Density / Cu. Ft.	16 lbs.
Width:	12'
Standard Roll Length:	120'
