PetiBarrier™ Carpet Cushion

NEXT-GEN CARPET CUSHION FOR PET-PROOF LIVING

FEATURES & BENEFITS

Recommended carpet cushion for residential use

- Closed-cell moisture barrier blocks spills, accidents, and pet messes from seeping through
- Adds soft, cushioned support underfoot - feels great for pets and people
- Resists moisture and mildew. Can be used below grade
- Makes Vacuuming easier and more effective
- Safe for use with radiant floor heating & adds thermal and acoustical insulation
- Resists crushing and matting - keeps carpets looking newer, longer
- Superior tensile strength to retain density and resist breakdown from moisture and wear
- Meets low VOC Emissions Criteria

ECO-RESPONSIBLE

Made with 100% Recycled Fiber!
Green Label Plus Certified For Indoor
Air Quality and a Healthy Home.

GLP101211
