StayPut™ Outdoor Rug Pad

The Eco-Luxury Rug Pad for Outdoor Comfort

FEATURES & BENEFITS

Designed for life outside, StayPut™ Outdoor delivers reliable non-slip performance on decks, patios, and porches—rain or shine. Crafted with durable materials and engineered for grip, it protects both your rugs and your surfaces from slippage and wear. Outdoor living just got a whole lot steadier.

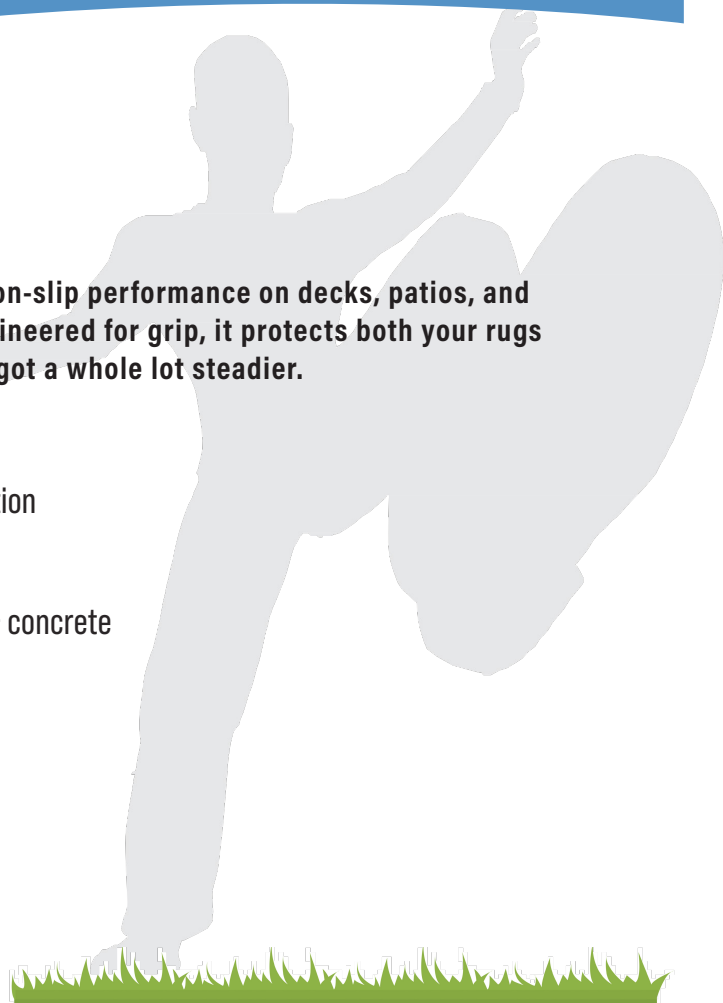

- Weather-resistant construction made for outdoor use - rain or shine
- Breathable, open weave construction allows maximum air circulation
- Safe for indoor use as well
- Ideal for use on all hard surfaces - wood, tile, laminate, linoleum & concrete
- Will not damage or discolor your floor
- Prevents slipping and bunching up of area rugs
- Easy to clean: spot clean with damp sponge & air dry
- Makes vacuuming easier and more effective
- Easily trim with a scissors for the perfect fit

Eco-Green Story:

Renewable: The Non-Skid Rubber surface is made from a blend using natural rubber. The natural rubber is a renewable resource.

ECO-RESPONSIBLE 

Made with Natural Rubber a Renewable Resource.
