A Proven product since 1984!

## COMMERCIAL/HOSPITALITY CARPET PADDING

Superior Properties For Use In Extra Heavy Commercial Traffic Areas

MADE IN THE USA

### FEATURES & BENEFITS

Specially made with high density 100% virgin polyurethane foam to cushion and protect all carpets.

- For conventional or double stick installation
- Helps prevent floor irregularities from showing through onto the carpet surface
- High density cushion helps reduce carpet crushing and matting in high traffic areas
- Breathable moisture barrier helps resist liquid spills while allowing vapor transmission
- Antimicrobial protection helps resist mold, mildew, and odor causing bacteria
- No smells, odors, or chemical emissions - hypoallergenic
- Built for commercial/hospitality applications including guest rooms, lobbies, corridors, and restaurant areas
- Will not crumble or disintegrate over time
