RESIDENTIAL CARPET PADDING

A Proven product since 1984!

MADE IN THE USA

Ultimate Comfort & Performance for Luxury Residential Installations

FEATURES & BENEFITS

Specially made with high density 100% virgin polyurethane foam to cushion and protect all carpets.

- For conventional stretch-in carpet installation
- Helps prevent floor irregularities from showing through to the carpet surface
- High density cushion helps reduce carpet crushing and matting to extend carpet appearance
- Breathable moisture barrier helps resist liquid spills while allowing vapor transmission
- Antimicrobial protection helps resist mold, mildew, and odor causing bacteria
- No smells, odors, or chemical emissions; hypoallergenic
- Excellent insulation and noise reduction properties; performs well with radiant heated floors
- Will not crumble or disintegrate over time
